

THE DAD BEATS!

The Dad Beats! began as a play date with an unspoken rule: leave us alone to write songs and we'll let you trash the place. The pile of toys, books and dirty washing got bigger and bigger. The songs got better. When they were ready, after a year of testing and refining them at shows, we hired some of Brooklyn's finest musicians to help us make an album.

Four dads. Eight kids. Eleven original songs.

We believe that music for children needn't bore their parents. We love our darlings too, but we refuse to listen to The Wheels On The Bus Go Round And Round ever again. Our songs are for little ones to dance to, big ones to laugh at and mums and dads to sing along to while they reach for the gin at the end of another joyful day.

In our world, children have Too Many Toys and Tantrum Time is never far away. Boys who Don't Stand On The Table grow up to be Super James. Girls that Don't Do The Zoo get a trip to Jollity Farm. Older siblings tell themselves I Will Not Crush My Baby Brother and Bad Dads believe in germs. And if they're extra-naughty... just Wait 'Til The Dad Beats Get Home.

So if you've ever changed a diaper while checking your email, if you've ever marvelled at a work of crayon art then wiped it off the wall, or if you've ever thought "there must be more to life than Twinkle Twinkle Little Star," then the Dad Beats! have the cure for what ails you.

Our album, **CHILD SUPPORT**, is available at Bandcamp, CDBaby, iTunes, and at all of our live shows!
